

12 August 2021

Notification for Recruitment of Junior Research Fellow – Electrical Engineering

Ref: IITPKD/2021/021/EE/SHC

- **Project areas:** Investigations of control and estimation techniques in networked control systems.
- **Required skills:** The candidate should have a good aptitude in mathematics and should be well versed with various control techniques. The work will mostly be in stochastic framework, hence the knowledge of probability and random processes is desirable but not necessary.
- **Eligibility:** Masters in Control systems or equivalent discipline (Or) MSc Mathematics
- **Appointment duration:** Initially for six months with the possibility of extension depending on satisfactory performance of the candidate and availability of funds
- **No. of Positions:** One
- **Salary Particulars:** The monthly remuneration for this position will be Rs. 31,000/- (Thirty One Thousand Rupees Only). Hostel accommodation may be provided at the institute based on availability on a chargeable basis. In case of non-availability of institute hostel, admissible HRA at 8% will be provided as per Government of India rules.
- **Deadline for application:** 26 August 2021 (Saturday)

Candidates satisfying the required skills may send their detailed resumes, statement of purpose and certificates pertaining to their educational qualifications starting from class X (in a single PDF) to “shaik@iitpkd.ac.in”. The subject of the application e-mail should be **Application for JRF - NCS**. The candidate is expected to join immediately after receiving the offer letter.
