

02 November 2022

**Notification for Recruitment of Research Associate-I, Electrical Engineering**  
**Project funded by Indian Council of Medical Research (ICMR)**  
**Ref: IITPKD/2022/042/EE/MSM**

- **Project areas:** Signal Processing, Machine Learning, IoT and Embedded System, Design and development of affordable wearable intelligent IoT-enabled vital signs monitoring system for health and wellness monitoring and management of individual and community health services. The proposed monitor can be capable of measuring physiological parameters such as pulse rate (PR), blood oxygen saturation (SpO<sub>2</sub>), respiration rate (RR), blood pressure (BP), body temperature (BT), PRV/HRV parameters, and physical activities, and can transfer essential health parameters to the cloud-based personal health monitoring systems and also notify the physicians or clinicians for providing timely treatment or care.
- **Required skills:**
  - Signal Processing and Machine Learning Algorithms
  - MATLAB, Arduino and Python Programming
  - Wireless Sensor and Processor Interfacing
- **Eligibility:**
  - Ph.D. degree (Defended or Submitted Synopsis) in BME/ECE/CSE/EE/EIE (with major specialization of Biomedical Engineering/ Signal Processing/ Machine Learning/ Wireless Communication/IoT) with 02 research papers in reputed SCI journals (IEEE/IET/Spring/Elsevier/Wiley)
  - Or
  - Having 3 years of research, teaching, and design and development experience after ME/M.Tech in BME/ECE/CSE/EE/EIE (with major specialization of Biomedical Engineering/ Signal Processing/Machine Learning/Wireless Communication/IoT) with at least 03 research paper in reputed SCI journals (IEEE/IET/Spring/Elsevier/Wiley)
- **Age:** Candidates who are not exceeding 40 years of age, as on the closing date of application, with relaxation to candidates belonging to OBC/SC/ST/PWD categories and women applicants as per Government of India norms.
- **Appointment duration:** Initially for six months with the possibility of extension for one year, depending on satisfactory performance of the candidate, availability of funds and requirement in the project.

- **No. of Positions:** One
- **Salary Particulars:** The monthly remuneration for this position will be Rs. 47,000/- (Forty-Seven Thousand Rupees Only). Hostel accommodation may be provided at the institute based on availability on a chargeable basis. In case of non-availability of institute hostel, admissible HRA will be provided as per Government of India rules.
- **Deadline for application:** 16 November 2022 (Wednesday)

Candidates satisfying the required skills may send their resumes and certificates pertaining to educational qualifications starting from class X (in a single PDF) to “[msm@iitpkd.ac.in](mailto:msm@iitpkd.ac.in)”. The subject of the application e-mail should be **Application for Research Associate-I - IITPKD/2022/042/EE/MSM**. The candidate is expected to join immediately after receiving the offer letter.
